Please share this calendar and pass it along to your friends who may want to be a part of shaping a better Colorado for all!

Thank you for your support! Together we can make a difference for impact for generations to come!
Statewide volunteer stewardship teams volunteer time and funding. Together, with your financial support, we can train skilled leaders, purchase tools and supplies, train youth about outdoor stewardship, and address critical stewardship needs in over 50 places to care for Colorado's outdoors. Here are a few examples of your dollars at work:

- $0 buys 4 oz. glasses of coffee for volunteers (1 cup of coffee every weekday morning)
- $0 buys a new monarch butterfly (to be released by the stewardship volunteer leader)
- $0 buys a new water filter for a small but critical habitat restoration and invasives weed control
- $0 helps you build a better Colorado by providing unique and meaningful volunteer opportunities
- $0 helps get a child into the outdoors with a free day camp or a free bike

To learn more about our membership program, please visit voc.org/become-member!

Complete the form on the other side and mail it to VOC to start (or renew) your membership.

2015 Sponsors (List as of March 3)

Do you like the work that VOC does? Show your support by becoming a member!

Join the Movement & Let's Build a Better Colorado!

Our mission is to motivate and enable people to become active stewards of Colorado’s natural resources.

Whether trail construction, urban gardening, habitat restoration, invasive weed control or reforestation in areas damaged by wildfires, VOC offers something for everyone – older and younger, new and not-so-new. Check out our 2015 calendar, find projects or locations that interest you, and then go to voc.org to sign up.

Get Your Whole Family Involved

Around 30 percent of our projects are family-friendly, and some are specifically for children as young as six. Look for the ‘family-friendly’ icon on this calendar. Visit our website to learn about more ways for adults and teens to get involved – including our high school Cairn Youth Program.

Restore Flood- and Fire-Ravaged Lands

The 2012 and 2013 floods and wildfires that ravaged landscapes and trails throughout the state may be over, but the restoration work is far from complete! We have plenty of ways for you to help. Look for the ‘flood/fire restoration’ icon on this calendar.

Hone Your Outdoor Leadership Skills

Interested in leading other volunteers on a VOC project or learning more about stewardship issues? Gain practical and transferable leadership skills through VOC’s Outdoor Stewardship Institute.

Give Back on Your Own Time

Check out VOC’s newest way to build a better Colorado! The #YourCO Digital Badge Program allows you to do simple acts of stewardship on your own time and with your friends. You may earn digital badges for skills or easy do-it-yourself acts of outdoor stewardship by spending more time outside, commuting by bike, growing your own produce, turning down the thermostat, and so much more! Earn digital badges at voc.org/badge and work toward VOC’s ‘Colorado’ badge – but, don’t stop at just one!

Here’s Why You Should Get Outdoors With VOC:

- Explore Colorado – discover beautiful places you’ve never been.
- Meet others with outdoor interests.
- Get exercise – hiking, moving rocks, hauling logs, yanking weeds, planting gardens or clearing flood debris.
- Camp for free and let us do the cooking!
- Gain practical skills and knowledge.
- Make a difference for generations to come by caring for Colorado’s outdoors.

Here’s Why You Should Get Outdoors With VOC:

- Earn digital badges for skills or easy acts of outdoor stewardship.
- Learn new skills and knowledge.
- Make a difference for generations to come by caring for Colorado’s outdoors.
