

# Find Your Place

## Become an OSI Instructor with VOC

VOC operates the Outdoor Stewardship Institute (OSI), which offers training courses for VOC volunteers and others to improve their stewardship skills and prepare for a variety of leadership roles.

As an OSI Instructor, you will lead training workshops of 10 – 20 participants and assist in the development, planning, management, presentation, and refinement of training courses. OSI Instructors are responsible for training VOC Crew Leaders in basic trail work, project safety, tools, and leadership skills.

*Since 1984, VOC has engaged more than 115,000 people to get involved in and become inspired to care for Colorado – a total donated labor value of nearly \$23 million.*

You may be interested in any number of our annual trail skills trainings offered through VOC's Outdoor Stewardship Institute (OSI), as well as other advanced leadership roles with VOC, such as Technical Advisor, Crew Leader Manager, or Team Leader.
